The Premises:

A ground floor flat about a 10 minute walk from All Saints DLR station. It was fairly discreet and clean inside.

The Lady:

A busty, Romanian girl about a dress size 10/12.

The Story:

A good session with a friendly girl. When she entered the room I couldn't help notice her very ample breasts. I would estimate DDs and they were natural and firm.

I wasn't rushed as the session commenced with uncovered oral. This was a bit too hurried for my liking so on went a condom and we then had sex with her on top and briefly from behind. I couldn't resist an uncovered breast relief finish culminating with me coming over her nipples.
