The Premises:

Friendly receptionist;
warm showers + clean towels;
... discrete side entrance.

The Lady:

An attractive tall woman in her early thirties.

An experienced busty blonde Mancunian lass who clearly enjoys her work.
Her photos on the Karma Sutra Girls website accurately reflect what she looks like.

The Story:

Kimberley made me feel good right from the moment she entered the room.
I would say this is due to her womanly curves plus her shoulder-length blonde hair.

She is 5'9" in height, but seems much taller in her high heels.
I definitely felt at ease with her right away as we kissed and cuddled moments after she arrived.

Kimberley also tastes lovely, which combined with that seductive Manchester accent & the divine kissing, made the actual sex a lot more enjoyable.

Only works on Wednesdays ... so I recommend that you sip and savour her womanly charms ... ASAP.
