The Premises:

Her flat is okay, working bath/shower, everything appeared clean and fit for purpose. A nice touch was the small hand towels in the bathroom. The bedroom had a big mirror at the end of the bed, the room lighting was good and adjustable.

The Lady:

Sophia is much better in the flesh than her pictures would lead you to believe, She has a real japanese look to her and even speaks english with what, to me, sounds like a japanese accent (she is not and does not claim to be Japanese). Her face is soft, pretty and much younger looking than the pictures suggest. Her body is well proportioned and toned with excellent skin. Her enhanced assets are pretty amazing and made me think of a japanese sex doll. I think most would be very happy with her physical appearance.

The Story:

Sophia has the potential to become a star. She's very pretty, has a great fun personality and an attitude that is all about making sure you have a good time. Her skills were good, FK with the usual tongue blocking manoeuvre, different gentle good owo technique. Sex was good, the only thing to fault was perhaps a slight excess of moaning ... I don't think I'm quite that good. We had a wonderful GFE time together, starting with a shared shower. I didn't test her A-level beginner status, I suspect you'd need to go very slow and be gentle, so not for the hard rock guys. Her english is pretty standard for a TWG, but I suspect she'll improve fast as she's keen to learn, and that applies to more than just English.

The bottom line is that she's pretty (particularly if you like japanese looking girls), sexy, fun, and eager to please. I've no idea what her PSE skills may be like, but for a GFE experience she is very good. Go see her.
