The Premises:

A small but petite apartment right in the centre of Harpenden. Lots of, but busy, parking within a couple of minutes walk.

The Lady:

Pandora's photos on AW are accurate. What I didn't think they showed to best effect were her rather lovely legs and bottom which are superb and those of a much younger woman.

The Story:

This was something I'd been trying to arrange for a while. 'Twas worth waiting for. Pandora is a lovely lady. Full of interest and adventure and great to chat to on a first meeting. We did though get down to some lovely action soon enough. We began with kisses and cuddles leading to me doing oral on her. Then she rode me cow-girl with great expertise. And I clearly felt the tight grip of her pussy. We moved to doggy and then lying-down doggy. This was the position I enjoyed most as not only could I feel her frond pussy rubbing my cock , I could lick her neck gently which clearly turned her on.

In a nutshell I can say that Pandora is a great find in the Harpenden Area. I hope she can afford to stay. But property prices in this area are egregious. So the £150 charged for an hour whilst about 50% more than I would normally pay in this area is well understood. In fact whilst we were getting to know one another I did overstay by almost 45 minutes.

I liked Pandora muchly. I hope she's around for a long time.
