The Premises:

Town house in MK Centre, very safe and secure opposite large car park. Internally up to normal Annabellas clean standards

The Lady:

Tall attractive East European girl, nice and friendly, the sort of girl where you know instantly you are in for a good time. Nice curvy figure and very good command of English, I think she must have lived here for quite some time

The Story:

Introduced herself and then straight into nice FK, not DFK but very sensual. After we stripped off laid on the bed so I could explore her sexy body, lots of oral on her which she seemed to enjoy. Then she went down on me and wow! There are some girls who say they can deepthroat and can't when it comes to it, well Renata can and how. Had to taste her again so onto 69 before it was on with the rubber and fucking in various positions before she suggested we were getting hot and I could finish with CIM if I wanted. More of that wonderful deep oral until I could hold on no longer. The remainder of our time was spent cuddled up together chatting. In summary a really nice friendly girl and an amazing time, very surprised she hasn't had more reviews.

Thanks for a memorable time Renata
