The Premises:

Usual quiet flat in a pleasant part of town. Loads of parking and a very safe and relaxed atmosphere. Very clean and tidy, good shower facilities and overall a pleasant experience.

The Lady:

Lottie is probably late 30's but has looked after herself impeccably. Pretty face with dark hair and flawless skin all over her body. She is very petite at a size 6 with small boobs and lovely nipples. Her gorgeous butt almost fitted into one of my hands and her ultra-clean pussy was tiny and tight and highly edible. Her voice comes as a bit of a shock as it is very high-pitched and will either drive you nuts with horniness or just plain drive you nuts.....

The Story:

I was caught a bit on the hop as the lady that I had originally arranged to see was unavailable due to a booking cock-up (no pun intended) at Annabellas. This was 1030 and so I had a quick scan of the website on my phone and chose Lottie as time was moving on. I arrived and took a quick shower and waited for her to arrive. A stunning blonde duly walked in and although I did not recognise her picture, I was past caring. I had sampled a deep French kiss and had started to unwrap the presents which were very curvy at the top and wet down below, when the maid knocked and told Chloe that she had gone to the wrong room!

I thought this was hilarious as I had the benefit of a livener and the old feller was rocking and rolling. Don't think Chloe was that impressed which made me laugh even more..... Anyway I went to the room where Lottie was and unwrapped her lacy stuff and was immediately struck by her petite body. I must say that ultra slim girls don't do that much for me but when so many ladies go to pot in their 30's Lottie is highly desirable which is testament of how she has looked after herself. Lottie has perfected the art go gentleman pampering and subjected me to oral which is hard to find nowadays. A soft mouth with probing tongue and sensual saliva. She interspersed this with gentle blowing of cold breath and sweeps of her hair.

Her pussy was like a tiny ripe fig which fitted in my mouth much to her pleasure; she was also ok with gentle fingering and I took great delight in laying her on her front and fingering her whilst she reached back and stroked her clit. Her cowgirl is strong and she reversed without me asking which I love and I was treated to a view of heaven. Her pussy is as tight as any girl that I've had and the

overall experience was just so fine. Thanks Lottie.
