### The Premises:

Very clean establishment.

### The Lady:

Absolutely nothing like her photos!

Matted, wirery looking hair and actually looked dirty!

### The Story:

Have been to MKE on several occasions now, seen a few girls, but usually Charlize, as get "excellent service" with a very charming lady.

However nothing like variation to keep the excitement going, and once i saw this new girls photo, thought got to give this a go!

Anyhow when i went to the room "OMG" thought i had been given wrong girl! nothing like photo and certainly not the usual class at MKE.

Thought oohh well here now so best get on with the job in hand. What a disappointment! Not only was she not the girl i thought i was getting but not that great a "punt" either!

Honestly i struggled to get "things" to work and clearly to her it was all about the "dollar" and not the service!

What a waste of time and money.

Really put me off; not the usual MKE service and quality! Very disapointed.

If you got mugged in the street you would not know mugger; however this was like being mugged in front of your eyes!!!
