### The Premises:

Tidy house in a quiet cul-de-sac. No problem parking, though I parked in another street.

### The Lady:

As previously described "housewife next door" type, but most importantly clean shaved and big tits.

### The Story:

Truthfully I went to see Sally for a cheap shag. Was she she worth it? Most definitely for the price.

Fucks and sucks well.

This was my first visit with Sally, so obviously a little nervous, but she was friendly and I soon felt at ease.

Would I return again? If I was passing, yes.

Best points? She swallows everything.
