The Premises:

Easy to find and safe area around Edgware Road, not far from Marble Arch or Baker Street. Nice little street. Usual set up with and room, top floor of town house - so a pleasant walk up following Marcela's delightful bum.

The Lady:

Young, stunning and gorgeous. Very fresh and in great shape. The most amazing eyes - really! No communication issues as good English. A very open and relaxed attitude, like a very naughty girlfriend and a hot and horny one at that. Marcela's body is amazing and made to dine on and enjoy.

The Story:

Got the usual gift out the way and was offered a drink and shower, both appreciated. After a freshen up I had to remind Marcela to take her gift, sweet girl as she isn't like the usual Romanian lot that grab it and / or prompt you immediately. Lay down on the bed and Marcela engaged in some full on DFK, which took me back as most times it isn't on offer. We started fondling and she quickly prompted me to remove her clothes, then grabbed my hand and fingers and pushed them down to play with her pussy guiding me to what she enjoys. Next thing she pulls apart her panties, opens her legs and directs a finger in and rubbing her clit. She quickly got wet and was enjoying a good grind and fingering. I couldn't resist to taste her pleasures so pulled off the panties and went down on her, licking and fingering with Marcela writhing and setting her own motion and rythm. She certainly likes to move and enjoy it, those legs wrapped around you and caressing you. She most certainly came and it was delicious. She looked at me and said "so are you going to fuck me now" in a sexy, dirty but sweet way. I had to oblige and what a ride, I couldn't last long but she was tight and wet gripping me and pulling me in with those lovely long legs. I got the impression more could be on offer and an extra ball but I had to make my way. I just wish I had booked for longer. I hope Marcela stays around as she is the sort of experience you should get, but what makes it even better is her attitude and that she enjoys herself. A rockstar gorgeous chick, thank you Marcela and hope to enjoy again soon!
