The Premises:

The location of this place is way out in East London. Further than I've ever been!

The Lady:

Multiple girls, only one of note was Emma.

The Story:

For a cheap place, don't expect much. The facility was fine. Hot tubs, showers, saunas. But I must say, I don't think I'd ever go back. I probably should have expected that the women there were not going to be attractive. A matter of fact, there wasn't one attractive one in the 10 that were there. The pictures were far more forgiving than the actual woman.

The only one that was interesting was Emma. She had a great body. Not much of a looker, but she was fun. So it wasn't a complete bust.

But the rest...oof.
