The Premises:

Clean, new apartment on Royal Arsenal site. Likely the same place as my previous report on Saki. Modern developments all look the same!

The Lady:

Cute Chinese girl, slim, 5'5" maybe? Shoulder length dark hair. Small boobs with long dark nipples. Seemed sensitive.

The Story:

Price had gone down to £90 for an hour (it was the same place as before). Lots of DFK then OWO offered for an extra £10 which seemed a bargain given the amount I received! After a while I popped down below (full head of hair) for a good spell of DATY and rimming which seemed well received. Then more OWO then 69 for quite some while. At last I opted for a condom and she jumped aboard for an extended spell of cowgirl until I finally blew explosively! Afterwards she lay next to me and stroked my chest - she seemed quite surprised at the hairiness! Nice lass. I guess there may be a different girl every week.
