The Premises:

It's not so quiet in front of the building in June what with people sitting on the concrete bench outside, but I doubt that anyone know what goes on in flat number x. Once inside I was greeted by Ruby. I'm sure she is a nice girl but not for me. One to cross off my list.

The Lady:

Parissa had her back to me in the kitchen as I made my way to the bedroom. Shortly afterwards she walked clumsily into the room in those massive heels and my first impression was "oh, dear God, no". I never would have recognised her from the photos cos that girl looks soft and friendly, whereas the girl I was with graduated from the Rosa Chleb charm school. That is not to say she was unfriendly, just that she is no cuddle bunny.

The Story:

Up close Parissa is very pretty with amazing blue eyes. she had a muscular bum which she rubbed against my cock for a couple of minutes to get me warmed up . There wasn't much kissing, just the occasional peck on the lips. Parissa spent the next 15 minutes sucking my cock. There wasn't much eye contact but when she looked at me with those blue eyes the little fella gave a twitch. Parissa sat on my face for the next 5 minutes, to enable me to eat her pussy and squeeze those strong butt cheeks at the same time. During this time she moaned with pleasure, which was probably not faked. Then Parissa said she wanted to take my spunk in her mouth. How could I refuse such an offer? So she sucked my cock for another 5 minutes till I couldn't hold back any longer and shot my load into her mouth. She then left the room, presumably to spit it out, and when she returned we said our goodbyes. Recommended if you like a blistering blow job by a girl who loves to suck cock. I felt sated but didn't leave with a spring in my step like I do after visiting a certain red-headed HOD girl who has been absent for over a month now. You know the one. Looks like that bird off Mad Men.
