The Premises:

I haven't seen Charlie the Maid in a long time. What has happened to her? The sight of Charlie in her low cut tops always made me wish she was on the schedule.

The Lady:

Marissa looked smoking hot in her knee length socks. If I saw her in the street I would follow her to see where she went. Better looking than the photos suggest. Her tattoos are very impressive against her olive skin.

The Story:

This has got to be my worst punting experience at HOD. I've had worse elsewhere but have come to expect higher standards than this from HOD. If for some unfortunate reason I am sent to prison and Mr Big who is in the wardens makes me his bitch and tells me to give him a blow job, well he would knock my teeth out I sucked dick like Marissa. She had a biting action that was more painful than pleasurable. Going down on her wasn't much fun either. I was only allowed to lick the outside of her pussy and she continually wiped it like a Eucharistic minister would clean the chalice after each sip of the communion wine.
