The Story:

Saw alicia a few weeks ago.

Was really not that welcoming and was on her phone for most of the visit.

Did French kissing, owo and protected sex.

A few days later I started getting symptoms down there. Went straight to the clinic and have tested positive for gonoreah!

I had not seen anyone else since my last test and have never done owo before so I know where it's come from.

The clinic have text her but it appears she's still working.

Please be careful guys!!
