The Story:

How sexy can one be ? Well, went and saw Inna. Seen her on other agencies as well, under different names etc, as per usual, but just felt booking her from here as this agency seemed to offer more info. Amazing location, just in the heart of Notting Hill and Inna definitely is a little fox. I've asked for black lingerie/stcks/heels and she did look fantastic in it. Genuine pictures, she looked even much better once I met her. Started with a great Owo which she seemed very keen on doing and showing her skills. Amazing service and she provides it with ease, very welcoming and I could honestly say that compared to other ladies which charge far more, this hour of pleasure and fun can't be matched. Treat her well and you will be surprised
