### The Premises:

The flat was fine, a basement with a working bath/shower. I don't remember any mirrors in the play room, but it seemed to be suitable.

### The Lady:

Lilly is pretty much like her pictures with a slim toned body. If you like petite women then I expect she'll tick your boxes.

### The Story:

Alas this was not a good experience. When I arrived Lilly looked a little tired, and she told me she'd been out late with friends the previous night and was tired and a bit hungover. She'd been wearing an interesting red mesh dress, but soon added a voluminous white quilted jacket/dressing gown before she lay on the bed. Point to self, its not a good sign when the lady adds extra clothing after you arrive. Anyway I think the issue here is the Lilly was not really in a state to work. She did put in some effort, but could not help but show it was a chore she'd rather not be doing. There was no kissing, she tolerated my touching my lips to hers, twice, and was not generally keen on my kissing most of her body, but was fine with RO. I had originally planned and payed for 2 hours, but after 15-20 minutes I knew this wasn't going to be good, still I stayed for 1 hour, and Lilly refunded me the difference without me needing to ask. I think the truth here is that Lilly should really have cancelled, its annoying to be cancelled, I was only seeing Lilly as another lady had cancelled, but its better to cancel than to end up with a less than good experience all round. I suspect she'd be fine and fun on a better day, but I did not see her on a better day, and to be honest I will not see her again.
