The Premises:

Very safe and easy to find location, busy road but still very discreet. Louisa buzzed me in promptly upon arrival. Beautiful flat, clean, light and very well equipped !

The Lady:

Extremely attractive and very feminine lady. Fantastic toned figure and with long dark hair, Louisa radiates charm and sensuality. I am still struggling to come to terms with whether I am more drawn to her incredible beauty or undeniable intellect. You'll get the idea - I was very, very impressed!

The Story:

A wonderful first meeting (of what I hope and plan will be many) with Louisa. She was very keen to understand exactly what I wanted to get out of our meeting and was very willing to accommodate my desires. Both dominant and submissive as the mood took us , she led me on a journey of sheer delight and discovery. In this, she was the perfect travelling companion and guide, witty, bright and unbelievably sensual.

To simply provide a detailed itinerary or synopsis of our plot misses the point and devalues the experience in my view but rest assured that I revelled in every moment and every step that we took together.

I am looking forward with eager anticipation to our next meeting and to our further exotic and erotic adventures xxx
