The Premises:

Clean tidy flat in the center of Milton Keynes. Was chauffeur driven from Heathrow Airport so told driver to wait so no parking issues. Though allot of purple zone parking nearby. Remember to use the lift as the flat is on the top floor so you can save your energy for the main event! :)

The Lady:

Gorgeous Polish Princess with a personality to match. Great English and the most innocent cute face I have seen in this profession. A few tattoos which complement her heavenly body.

The Story:

Just arrived from Dubai and got my Emirates chauffeur to drive to the best agency in England. They have area's in London but wanted to visit Anna for sometime.

I arrived a little bit early but this wasn't an issue. Was in a en suite room so dodging to use the bathroom wasn't an issue. Really enjoyable 1st class experience with such a warm and inviting lady (usually European ladies can be cold and mechanical). Everything was on the menu and no clock watching. OWO was pure bliss with Anna keeping eye-contact throughout. A few positions and my time was up. Hope to see Anna again before I fly back in a week.

10/10...

Thanks Anna (PS... could watch you walking in front of me all day!)
