The Lady:

Valentina is a very beautiful lady and has a great body , especially her arse, she is tall and slender but has the a lovely toned body

The Story:

Valentina greeted me with a kiss and and made me feel comfortable , we undressed and we kissed which I really enjoyed. She gave me a lovely blow job and I had to ask her to stop coz i nearly blew my load. The first round was me in missionary which was delightful. Then we sat and talked about different subjects and then I asked her for round two , she gave me an even better blow job and only the best girls can get me rock hard within 10 mins of coming and I finished her off in doggy.

I have to thank Valentina because many girls flat out refuse me due to my so called large girth but she was very nice about it, and I was smooth she enjoyed lovely girls like these deserve respect and none of that porno film bullshit

Anyway I hope to see you soon Mais Linda
