The Story:

Booked a visit, Jasmin offers massage with hand relief only. Asked she wear the white lingerie in the photo which she agreed to. Arrived and surprise surprise she was not wearing what she said she would be, I gently asked and she said it was too hot for that! This is one of the things that disappoints me again & again, these ladies lie in the belief that when you turn up you stay anyway, well sometimes but I don't return. The second negative is on AW says price is £80 yet she asked for £100 for body to body. Also I was out the door in under 45mins. She has a proper massage table and the actual massage was relaxing, but no conversation really or empathy, very matter of fact. Enjoyable ending. I think for the massage it was acceptable, but I would not return.
