The Premises:

Run down, lights not working, shady part of town

The Lady:

Petit brunette from Barcelona, pretty but not as good as her photos which I suspect to be airbrushed.

The Story:

Was looking forward to this punt but left solely disappointed. The complete opposite experience was had than what the AW profile states. To summarise-

- Lady was scowling all the way through, which completely put me off.
- Emily was constantly fiddling with her phone texting other clients, even as she was giving me a hand job!!!
- Kept pushing me away
- Kept demanding I finish when we still had plenty of time.

I did not end up coming and just left after 15 mins. Awful punt.
