The Premises:

Seems like an unsafe area but its not. Very few pedestrians which is a plus if youre a shy punter. The room was a standard for a semi-detached house and the bed was perhaps not the smoothest. But still OK.

The Lady:

Petite, dark hair and definitely chubbier than the photos suggest. Very nice soft and firm breasts. For sure her best feature and around DD. Not much on the rear, so not the best if you're a booty man.

The Story:

Booking was a bit of a nightmare, she is not very responsive to SMS and you got to chase her to get the address. Other than that she was very warm and friendly despite her little english.

As soon as I got there we went straight to business. She took her time and allowed me to get to know her body. She is not very open to you exploring the downstairs department but really few girls are. After getting to know each other she gave me a good BJ and rub. Then a bit on top and pop!

Left earlier than needed, but wasnt rushed out, I just didnt feel like any more.

Enjoy while fresh!
