The Premises:

Discreet, secure and perfectly provisioned

The Lady:

Perfect, about 6 foot in heels, fit, confident, never broke eye contact, Id say she was late 30's, oh and did I mention fit!! and Perfect!!

The Story:

First timer, was extremely nervous and it definitely showed. Had a good conversation where she checked out what I wanted, as I had no real idea she started slow and worked her way up.

Her experience showed, I had an amazing visit starting with tie-n-tease and then getting a little harder towards the end, she timed my wants, desires and wishes perfectly without me saying a word.

Fastest hour I've ever known and even though we overrun it was not mentioned, and I didn't even realise until after I'd left.

This is a woman you have to experience to do her any kind of justice (her reviews and photos just don't cut the mustard), treat her well and give her respect, you will be repaid with an experience that will blow you socks off

Chat after and I WILL be back
