The Premises:

A building situated on a busy road in Northampton. Nothing spectacular from the outside but the inside is very nice. They have showers in every room which is a big plus for me.

The Lady:

Jet really is stunning. Her body is out of this world with not an ounce of fat on her, probably the fittest body I have seen on any WG. Gorgeous face with beautiful teeth and lips. Very soft skin. Lovely enhanced boobs. Noticable tattoos which may not be to everybody's tastes but I liked them.

The Story:

Jet had a very friendly manner the moment she walked in. Seeing her killer body got me hard straight away. Started with a nice body to body massage which was followed by OWO, RO(she tastes great), kissing, sex. No clock watching at all and I certainly got my full time.

Stunning girl with a very friendly attitude. She will become a very popular girl in Northampton if she hangs around. Already looking to book her again soon.
