### The Premises:

### The Lady:

Coco is a gorgeous 19 year-old ebony beauty. She has a svelte, athletic body (5'6"), lovely B-cup breasts and long, slender legs. When she is laying next to you, naked, with a big grin on her face and eager to play, it is hard to decide where to start first. She is 'game' for just about anything and her body language almost screams this to you.

### The Story:

I have been seeing Coco fairly regularly over the past six months, usually on the weekends since she was a uni student up until recently, but I never wrote a FR because she seemed to have more clients than available time. But Coco recently decided to put her education on 'hold' and is open for escorting on a full-time basis, which is bad news for my wallet but good news for punters seeking a gorgeous young sexual partner who is enthusiastic and responsive, up for almost anything (safe) and certainly knows how to give pleasure with a grin. Her only drawback is that she is 'out-calls only' at the present, but we have had fun sampling various hotel day-rooms we have found on [www.between9and5.com](http://www.between9and5.com) and I suspect that she will be lining up her own in-call flat in due course.

As an older punter, I tend to emphasise foreplay, with lots of sensual oily massage and mutual oral pleasure before getting down to business, and Coco is a perfect partner in this. She clearly is more adventurous than I am, though, and I suspect that younger punters may find her eager to satisfy a wider range of 'enjoys' than I can manage.
