The Story:

Sonia was very friendly and eager to please. Started with a massage and quickly onto OW. Then some 69 - Sonia tasted very sweet and has a lovely curvey arse. I finished like this and then rested for another massage before I was ready to go again. Sonia gave me a good foot job and then some more OW and then various positions. She was nice and tight and made all the right noises. Then we both wanked off in front of each other and Sonia played with my balls with her feet until I came again. Very good experience. I will be returning.
