The Lady:

Wow Parissa is amazing very seductive tall and a firm body, if your a short little squirt don't bother. First thing I noticed was her legs and arse you can tell she works out really toned her arse i had to stoke it.

The Story:

She came in the room and my heart was racing I hugged her and I was already hard this was my third vist in one week to hod2 but I knew I could produce the goods if I dug deep down. On to the bed and she gave me a blow job but to be honest when a girl is that hot I just wanna have sex straight away first round was over and I decided to give her one of my massages but it was difficult without oil but I think she liked it. I was worried about the time and I always preform better second time round so I asked her to give me a blow Job when I was hard I asked her if doggy was okay and she was cool with it. It was amazing watching her arse then I mixed it up and used a variation of doggy and I could hear her enjoying it. In the end I could have kept on going but I thought it would end it there.

I hope parrisa enjoyed it coz I did and I will definitely see you again
