The Lady:

Beautiful lady who I remembered from a punt in stratford , see my post of Mona in Stratford.

The Story:

I should have walked out there and then but didn't

Started off ok with pleasantries and then when she stripped she went to get a condom and went to bottom of bed

I asked what about the GFE which she said was included on ad in the purple site. She said she does but its extra, extra for French kissing, extra for OWO, extra for 69.

Even the oral with was a 2 finger shuffle with her mouth over my cock

I just got up and got dressed.

She went into a ramble in her local dialect while all the time I kept saying to her ENGLISH lol

Avoid unless you want a wife experience where you have to do everything yourself and you realise you might as well have taken yourself in hand haha
