The Story:

Paid at the desk. Went into the room with Mia.
Was offering massage but I politely declined. She asked me what I liked? So I Opted for the normal service.
She put on the rubber and gave me a bj for 10 seconds or so .
She then said are you ready? So We did spoons to start with. I Asked for reverse oral ,but she said she don't do that in her Spanish accent.
Then I asked her if I could kiss her boobs ,she replayed I don't do that. No kissing.
She has a big watch on her arm which she watches frequently.
Was struggling to get inside her as she was not helping much. Had to finish of manually as I didn't find her appealing enough to finish.

I would not book in with this girl again. It was a waste of 40 pounds.
