clean and basic hotel room with all the necessary facilities. Comfy bed, big shower. Very good.

The Lady:

Elvira without a doubt is absolutely beautiful and sexy. I would say she has a mix of cuteness, beauty, sexiness and is down to earth. Dressed in a little tight dress she certainly looked appealing.

The Story:

All that I will say is that Elvira is a very beautiful girl, and as stated she gave me everything that she lists on her enjoy list

I feel that Elvira enjoyed our time together, she was very friendly, and very easy to talk to.

She didn't keep me waiting, she was ready for me when I arrived, and directed me to her room, I didn't notice any clock in her room, and she wasn't wearing a watch, I never felt rushed at all, we kissed and cuddled, she slowly removed her beautiful top, I kissed , and licked her beautiful body from her beautiful lips all the way down to her thighs, I licked and sucked her beautiful nipples, she gave me the most amazing covered oral, very deep, and we had amazingly beautiful sex in may positions, I cannot speak more highly of this beautiful little spanish princess, Elvira is a MUST SEE guys, I shouldn't be saying that as I would love to keep her all to myself, I would definately recommend her to everyone, she is the most beautiful escort that I have seen, and will most certainly be seeing her again
