The Premises:

Flat in a block, fairly discreet and clean and tidy.

The Lady:

Slender girl of about late twenties/early thirties, with natural boobs cute bum and shaven below. I think that her photos, if hers were probably taken a few years ago.

The Story:

I had a lovely time with Valentine, she was caring and enthusiastic. I am an old guy and am after a different experience, the girls attitude is paramount and Valentine has it in spades, did all the usual stuff with passion. Oral with revers oral cowgirl mish & doggy, with a delightful lady.. I hope to return.
