The Lady:

Joly is a genuine pornstar, incredibly attractive girl with those come fuck me eyes. Long blonde hair, big tits and arrived dressed to impress, couldn't ask for much more.

The Story:

Firstly Joly is incredibly fit. I saw her on the website and the images did look a little touched up so I was skeptical about spending £350 an hour on someone that might look nothing like she did on the pictures. Boy am I glad I did! When Joly arrived I could barely contain my excitement and we went straight to the bedroom (I usually make small talk and have a chat first). You can instantly tell that Joly is very naughty and I knew I was in for a fun hour, if I could only last that long lol.
