The Premises:

Close to tube station in Central London.
I've never been around there before but was given good directions & felt safe all the time.

Premises was clean and nice, bathroom with alot of space & what was needed.

HoD seems to be well runned establishment, so it was quite busy, but really not a problem for myself anyway.
To others I only will enourage them to book early and rather in advance because of the high demand.

The Lady:

Apple is just a stunning Singaporean young lady. Photos on the HoD site do not do her justice at all. Her complexion is lovely around 5,4 tall, slim well toned body & her cute smile/eyes did melt my icy heart right away!

Lovely kissable lips, nipples and squeezable bum.

The Story:

Have not been a regular visitor of London now for some time,
but have had my eyes on this Singaporean hot young lady, for quite a while.

My path never crossed hers when she was around @ LMP, so now I did've to make her a visit.

Pretty girls all in a row ;) The Maid showed me in and I was glanced on by Roxy, Megan/Elizabeth!

So many lovely ladies and so little time!;))

Apple entered the room and it felt like we've meet before. Clicked or what!?! I had to wait for my

shower but we sat down on the sofa chatting, kissing/touching like we've met for ages.

Back from shower Apple invited me on to the nice bed & the rest is history!:p ;)

Apple liked kissing both deep and teasingly & @ least I enjoyed it alot!

After mutual explorings we formed a hot 69 position, my now erected friend was treated to a deep & wet OWO and I had the pleasure of a sweet tight pussy and butt to explore!

It was too easy for a CIM (which she encouraged me to get)

but she smoothly put the coat on and started a wild Cowgirl ride,

so I now got access to her wonderful kissable lips, tongue & now hardened nipples again!

And then they say Rodeo is exciting, well this is better anytime, believe me. ;)

Apple then gave me a most sensual and touchy massage with alot of b2b touching.

Time flies when having a great time, so no chance for a reprise within my booking time.

I certainly enjoyed myself & we joked about making it a "fruitsallad" next time! ;)

Because if I can rule it, it will!

Maybe with a touch of another fruit of the HoD:s.

Please, Peace!!! ;):)*

Thank you Apple, for giving such a lovely experience!

Hope to be back, sooner than later!!!
