The Premises:

Nice, clean tidy apartment. Well decorated. Big room. Central location, lots of parking.

The Lady:

Serena is tall and slim, with a nice shape and a beautiful pair of boobs. She's brunette with brown eyes and has a very pretty face with a gorgeous smile. Natural tanned skin with small tattoo on shoulder. Photo's are accurate.

The Story:

Serena is 18, fairly new to the business, and has limited English. When she is a bit more polished and has better English she has the potential to be a real superstar.

When she came in, she looked just as I'd hoped from her photos and was wearing black bra and panties. Beautiful. A racehorse. Wanting a GFE with lots of TLC, I had imagined starting with a standing kiss and cuddle before peeling off her bra to reveal her boobs, much like the photos. But she sorted the paperwork first and then gestured me to move to the bed. But as they say, actions speak louder than words.

She took her bra off and went straight to oral, which was good. However I was desperate to kiss her and feel her boobs, so I asked for a kiss, and she obliged willingly. This was so sexy and allowed me to explore her curves as we kissed and cuddled. She then went back to oral and paid great attention to my balls – licking and sucking as well as massaging and to be honest treating them quite roughly, but to great effect. (She may have a future in dom)

I then asked if she'd like me to lick her pussy, which she did. She has an absolutely gorgeous pussy and we both really enjoyed this.

I then had the pleasure of her lowering her hot teen pussy onto my cock. Wow, this felt glorious!

She rode me really hard to start, slamming herself down on me. It was a frantic start. We then went through a number of positional changes, fucking for a good 15 minutes with some passionate kissing, before it was time for me to finish.

Will definitely see again
