The Story:

when I phoned was told alexa is available she is my type of petite girl so first time ever that I had to book an hours appointment got the finances out of the way she made me at ease from the first minute massage and chatting followed by me sucking on her boobs and bit nibble on her neck sorry alexa if I did leave a little mark on your neck good covered BJ she told me she likes doggy so do I so I stood at the end of the bed and she backed up guided my cock in her and i grabbed her super soft butt she was making all the right noises kept telling my to fuck her hard and who was I to hold back started in doggy and finished in doggy after that more chatting before time was up she encouraged me for a second round which was a HJ all in all a good punt.
