The Story:

I've seen Chloe in a number of pornos so I kind of knew what I was in for. I arrived on time, maid showed me to the room and I waited for a few minutes for Chloe to arrive. I love the feeling of anticipation and upon hearing her heels approaching the door I was almost palpitating. When she came in I couldn't believe my eyes. A visually stunning strikingly attractive woman stood before me. After sorting out the business side of things we stood and kissed. Chloe has the softest lips and her tongue was probing my mouth as we tongue wrestled for about 5 mins. She is an amazing kisser and we progressed to the bed where she proceeded to suck my rock hard cock. She sucked long and deep for about 5 mins before we fuck'd missionary. After more kissing and cuddling, her body is so smooth I couldn't get enough and I went downtown. Such a juicy sweet pussy I could've stayed down forever. I finished off, chatted for a while before leaving feeling very satisfied. Chloe is a great girl and plan to see her again soon.
