The Lady:

What can I say? This lady is around 5'6 she has long blond hair, she is attractive and she has a womanly body. she's no stick insect nor is she big. She is voluptuous with large natural breasts.

The Story:

It was wonderful. I believe Samantha is Polish. She is definitely a lady. She is demure, polite, courtious and an absolute pleasure to meet. Definitely not a porn star experience much more of a girlfriend. A girlfriend you would be proud to take home to meet your parents and family. Having said that she french kisses wonderfully. She will perform OWO if you are clean and smell nice. She does this extremely well and I can confirm it felt great. Reverse oral was also extremely nice too with a very sweet tasting sensation for your tongue. Her boobs are exceptional. Large fluffy pillows that are just perfect. Big, soft, smooth and wobbly. No fingers are permitted and cim is not on offer but it really is not needed when everything else is delivered with such poise and elegance. Samantha is a very lovely lady. She is intelligent too as we had a long conversation about my work and her interest after the appointment was finished. At no time did I feel rushed or pushed, the whole experience was wonderful leaving me feeling that i wish I could time travel and be 25 years younger. If I were I would steal her away from all of you because of just how lovely she was. Please be clean, treat her with respect and enjoy every second like I did.
