### The Premises:

Clean functional room, shower fine, parking easy.

### The Lady:

Kate is very tall especially in her heels, slim, busty, fair skinned, long blonde hair. Her face is obscured in the profile pictures. She is very pretty. I had walked in and met respectively Kate, Amber and Elsa. All lovely but Kate's demeanour was the most engaging. So it was Kate for me.

### The Story:

It was Kate's second day, but despite the lack of experience of the industry, she exhibited all the attributes one would want. Affectionate, accommodating and an expert in oral skills. We tried a number of positions, which gave me the opportunity to enjoy her immaculate body. If post coitus you like intelligent conversation with a beautiful young woman, then Kate is the girl for you. If you like coitus with a striking young woman, then Kate is also the girl for you.
