The Premises:

This was my first time at Erotic Studios and it did take a little finding. For the benefit of others it's right at the northern end of Henrietta Street, near the junction with Summer Lane. However, once inside the lady in charge made me feel at home and I was directed to one of the individual "bedrooms". I was then visited by three ladies and given the opportunity to make a choice - Holly. The interior was clean and tidy and the room very comfortable.

The Lady:

Holly is an old man's dream come true. She's of medium height, a brunette and a very shapely lady with full breasts and a gorgeous backside. Holly was dressed in black lingerie including stockings and suspenders which she left on during our subsequent activities. She was also wearing cheeky little glasses that added to her sexiness. Truly one of the most erotic and attractive ladies that I've spent time with.

The Story:

We chatted, played around and explored each other with hands and mouth and she was quite content to accept the pace of an older gentleman. I can't wait to meet her again as she's likely to be a regular on Mondays and Fridays. Extremely good value for money.
