The Lady:

Amelia arrived dressed in the shortest of dresses and wearing deliciously sexy shoes and has the most fabulous hair, eyes and ohhhhhh that mouth is just made to.....well do naught (very naughty) things,

The Story:

Well guys, seeing an unreviewed girl is always a bit of a lottery and can be disastrous.

It was with this in mind that I booked Amelia with a degree of trepidation.

We agreed to meet in the bar of a nice Central London Hotel and we had already agreed what she would wear!

OMG - when she arrived she was wearing a delicious LBD and boy did she look hot - I mean SERIOUSLY *****ing hot.

I was the luckiest guy in the place to have this babe for company for the evening.

Amelia is as naughty as you like and is a self confessed very 'sexual' woman loving most aspects of the naughty stuff that goes on behind the bedroom door. Did I mention behinds, Ameila's is lovely and like most girls she likes to be bent over for a nice session of doggy. In addition, should you find her talking too much the just give her something else to occupy her mouth and she will be in heaven.

Seriously this is one sexy girl.

Take care Amelia
