The Premises:

One of the usual flats near the shopping centre. Clean, shower and towels available. Bedroom mirrors make for extra fun.

The Lady:

Ruby is beautiful, classy, elegant and absolutely wonderful, and EE. Already well known as possibly the best GFE lover around.

Roxy is a fantastically sexy Brazilian, busty, stunning and no pictures ever do her justice of just how gorgeous her face is.

I already knew Ruby from 1-2-1s and Roxy from parties. And while wanting to see Roxy for a solo booking, while speaking to Ruby one day we both found a mutual love for Roxy so I figured this would be a perfect threesome. And how right I was!!

The Story:

The punt didn't quite go to plan as it was supposed to be one hour with both girls.....but unfortunately Roxy got held up on the way. The plan changed to me and Ruby starting solo and Roxy to join half way through once she arrived (hence the price being 180).

I was more than happy to start with Ruby as we have met quite a few times before already and we started to once again have the most beautiful, intimate and tender GFE passion!! This girl is an absolute heart melter. I could make love to Ruby all day...if only I had the stamina!! So once we heard the doors banging and knew Roxy had arrived, we'd swapped from perfect sex back to a bj which had me kneeling on the bed and Ruby on her knees in front of me lovingly sucking me. In walks Roxy and after a quick apology, a quick kiss hello, she whips her boobs out and only seconds after walking into the room she has gone down on her knees and joined Ruby in sucking my cock!! I suddenly have two gorgeous girls on their knees giving me an incredibly awesome double blow job.....and while I can watch down at my angels I am also facing the huge wall mirror so can watch in that two, plus that had the bonus of seeing their two perfect bums in the mirror. Undoubtedly one of the most perfect moments of my life!!

As much as I could have enjoyed that all day we started to move around. Lots of kissing and

sucking, the girls snogged each other passionately, I then lay down for more double bj action before Roxy then asked if I wanted to fuck her. Well.....yes I do!! LOL!! On with the condom and I climb aboard and so that Ruby didn't feel left out I got her to lay next to us and I leant across and Ruby kissed Ruby passionately as I thrust away into Roxy. We then swapped to doggy with Roxy while I got Ruby to kneel beside me so we could kiss and cuddle.

Then the girls got frisky and Roxy is quite an expert at licking pussy as she had Ruby shuddering and squealing with ecstasy in very quick time!! Wow...and I thought I was good at it!! More double bj and fun as we tried to get me to cum. This was a truly awesome hour of pure lust and fantasy. It did kind of leave two instances of unfinished business though as Ruby and I definitely need to finish what we started in the first half hour (I will see you Ruby as soon as I can for that), and I certainly want to have a full hour with these two wonderful girls. This was one fantastic, magical hour. Absolute heaven with two gorgeous and charming girls.
