The Story:

Its been a couple of years since I've seen Foxy but was lucky enough to get a same day appointment.

Foxy is still as enthusiastic as she was on my last visit, lovely welcome then straight intro 69 with me on top she really enjoys a good seeing too and reciprocated with excellent blow job and a little rimming which was briefly interrupted by another punter walking in did cause a little amusement. Then on with the rubber and Foxy on top, fantastic feeling and sight told her in my previous visits I had not experienced anal well she soon put that right, she then asked where i wanted to cum opted for a cim and had an intense finish absolutely fantastic time is there another lady in MK that's better!!!

During our session Foxy picked up on my expressions keeping me close to the edge many times but holding me back till the end of our session, could easily have finished me off earlier says a lot about her attitude.
