The Premises:

Well established and well known parlour on Narborough road. Plenty of local on street parking. Place itself is a bit "tatty" and needs a lick of paint. Room had a massage table, but then is a bit small so may be difficult to fit a big bed in.

The Lady:

Description on the website is accurate. Mid 40s, very chatty and pleasant. Enhanced boobs.

The Story:

Lovette gives a nice back massage. Started dressed but lost the bra half way through to reveal those huge tits. Bit of body to body and some nice, but very gentle kisses.

She offered the "usual" services. Went for sex, and could have had her in any position. Enjoyed very much my time with her and will no doubt be back for more.
