The Premises:

Little street just off main road leading to residential accommodation . Discreet entrance and on road parking

The Lady:

Sophia was around 5'2 . Very petite - blonde hair with a beautiful toned tanned body . Small but perfect breasts - if say 32b .

Tattoo on legs and arm which were fantastic . 19/20 years of age . A sight of absolute beauty

The Story:

After freshening up and waiting for only a couple of minutes Sophia came in and wore white fishnets , thong , baby doll and bra . A polite young lady and very petite - struck by her beautiful eyes . Started with a quick back massage before turning me over . owo 10 extra but well worth it . I changed to stand as she gave an expert oral session lying face down on bed . Revealed a beautiful furry pussy , a real refreshing change . On with the rubber and keen to try various positions at her request . Full kissing and nipple play through out . I finished over her cute breasts . Certainly no clock watching and nice conversation afterwards as we cleaned up . An absolute darling and great find late on a Thursday afternoon .

I will be visiting her again and can only give a 10 out of 10 for first class service
