The Story:

i was quickly undressed on my 4 waiting for her to come back to the room. when she came back on her high heels mules i dropped dead ! i was allowed to kiss and worship her perfect feet and toes. when she was satisfied with my work i was ordered to climbed on her knees for hand spanking. it was firm and i got nice red bottom. then i laid back and lick her bottom and pussy while she suffocating me over and over again. inally i was allowed to cum on her feet doing foot job.
