The Story:

Been looking forward to Claire for sometime every since I saw her photos on the site
I do know how to pick the good ones she came into the room and she was perfect from top to toe
what I would call the perfect female body
we sorted out the money on hopped on the bed
we only had half our but it was EXCELLENT half hour, her oral skill are excellent, her whole attitude was top class I do like the girls that enjoy themselves
so after her fabulous oral see put the coat on and jump on top for a ride then we change for a bit off doggie it says on her profile she likes it then for the last ten minutes we cuddle up and chatted and tested out my massage skills on her.

thoroughly recommended a return visit is on the card and hopefully for longer
