The Story:

Was waiting for me as I came out of the lift. I'd read reviews and liked what I saw. Sindy is really welcoming. She likes chatting and is well-educated. Immediately offered me a drink: fruit juice or water. It was a hot day, so I gladly accepted. I got the paperwork out of the way and then enjoyed a really leisurely time: GFE and OWO, with a massage afterwards. I really liked the way she brushed her fingernails gently all over my body. I certainly stayed there more than an hour. Sindy told me she's away in Hungary until early September, but it's certainly worth the wait. I plan to go and see her again sometime next month. Thanks, Sindy, for our time together xx
