The Premises:

High rise flat in very good condition. Clean bedroom and good shower in bathroom.

The Lady:

Blonde with neat and attractive looks and figure. What doubled over her attraction, however, was her lovely manner. It felt like I was the first one she had admitted to her bedroom for intimacy.

The Story:

Lovely experience. Lia's manner is perfect as she is so willing to look after you and seemingly just as you think you'd like to do something, she takes an item of clothing off or does the same action or makes a part of her body available herself.

So we stroked and fondled and kissed lightly. She gave oral with and then we moved onto 69 and then sex.

All very 'real' and all very enjoyable.

No sense of rushing and in fact it was me who called an end to the session.

Utterly lovely lady.

By the way - light kissing, oral with and fingers on but not in pussy all by my choice.

I was enjoying myself too much in her company to want to seem to be pushing my luck and that was completely my preference.
