The Story:

This was my 2nd visit to Amy and it won't be my last . We started off with a kiss and cuddle on the bed with me having a good fondle of her lovely boobs and a suck of the nipples . Next Amy asked if I would like a massage to which I replied yes please if you can do a body to body one , she obliged with this using her tits and pussy on me to get me very excited . After this I requested o.w.o and as it was my 2nd visit she readily agreed . A very good BJ which took me right to the edge ,Amy does not do CIM so we finished with her wanking me off onto her tits . all in all a very satisfying punt . Amy also does full gfe with covered sex to finish but I find its either oral or sex for me nowadays as old age is creeping on .Still shall be back for the pussy encounter in a few weeks .
