The Premises:

Location very discreet with plenty parking available very close to the premises. The place itself was very clean and tidy and made you feel very comfortable. Shower facilities available again very clean.

The Lady:

Tina was everything I could have hoped for when she came into my room. She really did take my breath away the first time I saw her, she was stunning. Everything matched her profile perfectly. Tina is the perfect lady in all aspects from her amazing looks to having a heart of gold.

The Story:

This was my second visit to Tina, the first visit unforgettable which is why I wanted to spend 2 hours with her this time which again simply wasn't long enough, you just won't want to leave her. Our time together was priceless and I'll never forget how she made me feel. Tina is perfect in every way and I highly recommend you go see her to you will not be disappointed.
